**All clearance items are from our marketing inventory and have been displayed and /or demoed at conferences.**  
 All items are in good working condition and include a 60 day warranty or reminder of PASCO warranty - whichever is longer.

| Part #             | Product Name  | Quantity Available | List Price | Clearance Price |
|--------------------|---|--------------------|------------|-----------------|
| EM-3533            | Wireless AC/DC Module   | 1                  | \$296      | \$215           |
| PS-2009A           | Sparklink   | 2                  | \$262      | \$100           |
| PS-2104            | Pasport Force Sensor  | 1                  | \$233      | \$95            |
| PS-2114            | Pasport Relative Pressure Sensor  | 1                  | \$273      | \$125           |
| PS-2122            | Pasport Turbidity Sensor  | 1                  | \$220      | \$110           |
| PS-2132            | Pasport Charge Sensor   | 1                  | \$233      | \$90            |
| PS-2175            | Pasport Gps Position Sensor   | 1                  | \$310      | \$150           |
| PS-2186            | Pasport Heart Rate Hand Sensor  | 1                  | \$199      | \$100           |
| PS-3216            | Wireless Load Cell  | 3                  | \$200      | \$150           |
| PS-3223            | Wireless Acceleration/Alimeter Sensor   | 1                  | \$162      | \$130           |
| PS-3521            | Nitrate ISE (NO3-) Probe  | 1                  | \$398      | \$250           |
| PS-3601            | SPARK LX (Standalone datalogger with 9.6" touch screen)                             | 1                  | \$632      | \$425           |
| ME-1246            | Smart Cart Vector Display   | 1                  | \$148      | \$119           |
| ME-3581            | Building Better Bridges Kit ** STEM Resource ***                                    | 1                  | \$364      | \$250           |
| ME-6810            | Time of Flight Accessory (for use with PASCO projectile launchers)                  | 1                  | \$140      | \$100           |
| ME-6940            | Diffusion Osmosis   | 1                  | \$210      | \$100           |
| ME-6960            | PAstrack (for use with Dynamics Carts)  | 1                  | \$153      | \$105           |
| ME-8971 & ME-8972  | Track End Stop (2-Pack) & Dynamics Track Feet (Pair) (for use with dynamics tracks) | 1                  | \$114      | \$90            |
| ME-8237*           | Bending Accessory – Materials Testing   | 1                  | \$556      | \$390           |
| ME-8238*           | Flat Coupon Fixture – Materials Testing   | 1                  | \$527      | \$369           |
| ME-8240 & ME-8239* | Materials Testing Samples (only brass & aluminum)                                   | Partial            | ~\$400     | \$150           |
| ME-8998            | Elastic Bumper (for use with Dynamics Systems)                                      | 1                  | \$78       | \$60            |
| ME-9498A           | Photogate Head  | 1                  | \$89       | \$70            |
| ME-9807            | Ids Friction Block (for use with Dynamics Carts)                                    | 1                  | \$43       | \$30            |
| ME-9884            | Bumper Accessory Set (for use with Dynamics Carts)                                  | 1                  | \$36       | \$15            |
| ME-9891            | Flexible I Beam   | 1                  | \$171      | \$50            |
| OS-8442            | Diffraction Slits   | 1                  | \$190      | \$190           |
| SE-7611            | Renewable Energy Kit  | 1                  | \$198      | \$139           |
| SE-9373            | Lab Jack-Medium   | 2                  | \$240      | \$190           |

\* All 3 items work with any PASCO Material Testing System and can be purchased together for \$700.
